

Free Open Entry Opportunity!!!

In an effort for the Carnival of Cans to be more Contestant Driven and an “Over the Top” Event for everyone to enjoy and benefit from we have come up with an idea to help make that happen. This year we are introducing the Sponsorship Incentive. For every \$250 in sponsorship money you obtain you will receive one free open entry for the event!!! Your sponsor will be promoted through the Carnival’s facebook and website and as a contestant you will have the benefit of growing the event to being even bigger. So the earlier you get your sponsorship in the more promotion your sponsor can receive.

Our mission is to provide barrel racers with the ultimate barrel racing experience! You can be part of making this show more successful and commit to making it possible for future productions by growing support partners and saving money on your weekend!!!

Be sure to request a copy of our sponsorship opportunities today! You can let potential sponsors know the value they will receive for their sponsorship by sponsoring you and the 6th Annual Carnival of Cans barrel race.
